I hope this message finds you well. It is with mixed emotions that I will be moving within the Spring Trust from Headteacher of St Mary Cray Primary Academy to Leeson's Primary School where I have been working since October. This has not been an easy decision, and I am truly sorry to be leaving, especially after the incredible support I have received from the children, families, and staff here.

During my time at St Mary Cray, I have been privileged to work with such a dedicated and caring community, and I am deeply grateful for all the encouragement and kindness I have experienced. It has been an honour to be a part of your children's learning and growth, and I will always look back on my time here with fondness. This change was not one that I was looking to make as I have always been happy in my time at the school, I had intended to be in place for several years to come. Working for the last four months to support the staff at Leeson's has been a fresh challenge made possible by the incredible leadership and staff at St Mary Cray. I am confident that the school will continue to thrive under Mr Frost and Mrs Mears and they will continue to make the school an excellent learning environment where the children love to come to school.

I would like to thank the staff and parents for having been so committed to the school themed days, sporting activities, trips and PTA events. I think that our PTA has been amazing in creating community engagements for the children and helping to raise funds to enrich the children's experience at school. Especially our school library and the start of the sensory garden.

Thank you once again for your trust and support during my time as Headteacher. It has meant the world to me. I will still be a regular visitor working within our Trust and will see the children often. I will however miss them very much.

With warmest regards,

Gordon Jamieson
