

Subject	WALT	Activities
English (Writing)	Write a formal persuasive letter for a job advert	Read example of a formal letter found on class website. Highlight any examples of effective vocabulary. Write a letter applying to be a helper for a job around school.
Guided Reading	Ancient Greece (non-fiction)	Set A, Set B and extension questions available with the text on the school website.
Maths	Write negative numbers	Use negative numbers in context – follow video link for activity https://vimeo.com/460234751
Science	Investigate how sounds can create different pitches	Pupils make sounds using home-made instruments using empty plastic bottles and grains of rice. They investigate both how their instruments produce sounds and how they can be changed to produce different volumes and pitches.
Geography	Understand river processes and patterns	If you were a river what type of river would you be? Slow and relaxed? Or fast and busy? Would you have waterfalls and rush along in a hurry? Or would you 'meander' gently along. Write a paragraph describing yourself as a river.
RE	Understand important dates in the Jewish calendar	https://www.bbc.co.uk/newsround/29363650 Write up a day in the life of a Jewish person on Rosh Hashanah and what traditions they would take part in.
