Dear Parents and carers,

You have received a letter and guidance with regards to our new RSE curriculum. In that guidance you will see the content of the RSE curriculum and those elements that are optional. Attached with this letter is the science knowledge organiser for year 5 for Spring 1 (after Christmas). As you can see, the children will be learning about Animals, including humans.

Please read through the organiser as it tells you what the children will be learning in science. If you need any support with this topic, please do ask Mr Ricketts. Please note that in line with government guidelines, these sessions are compulsory, and you are not able to opt out.

Best wishes

Mrs Bild
