

Geography

Can you label the seven continents?

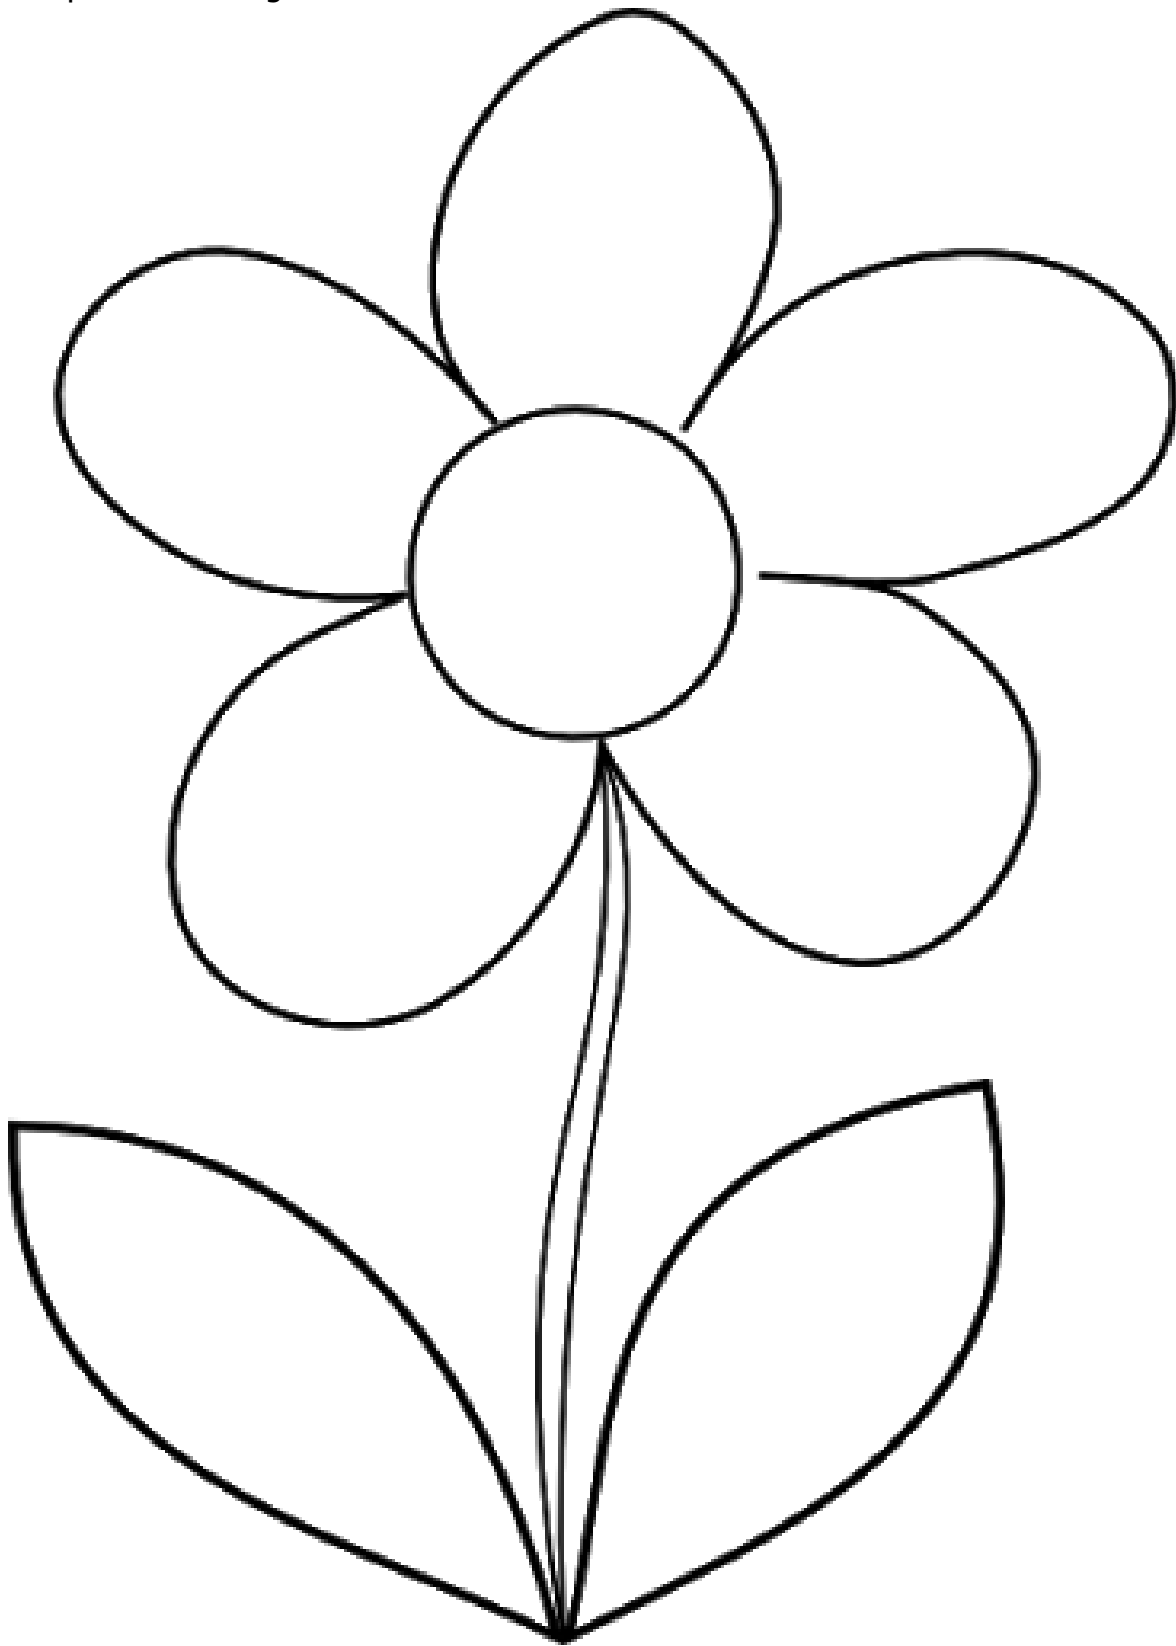

The Seven Continents of the World

Bonus: Have a go at drawing and labelling your own map of the world!

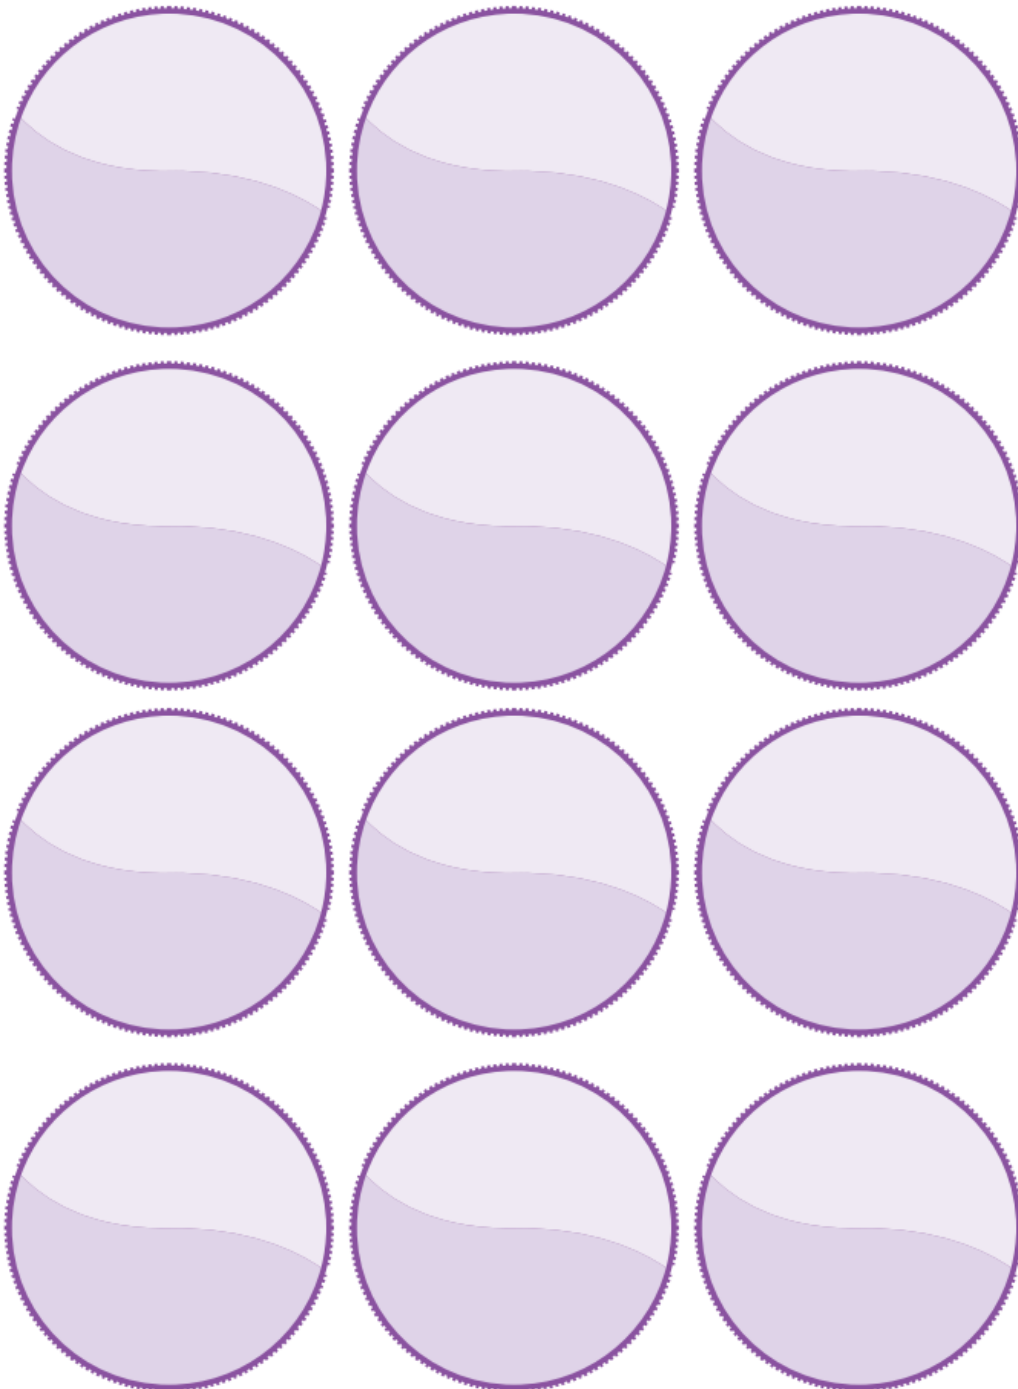

Art

Make your own mosaic! Use paper mosaic squares or cut up paper or magazines to complete the collage below.

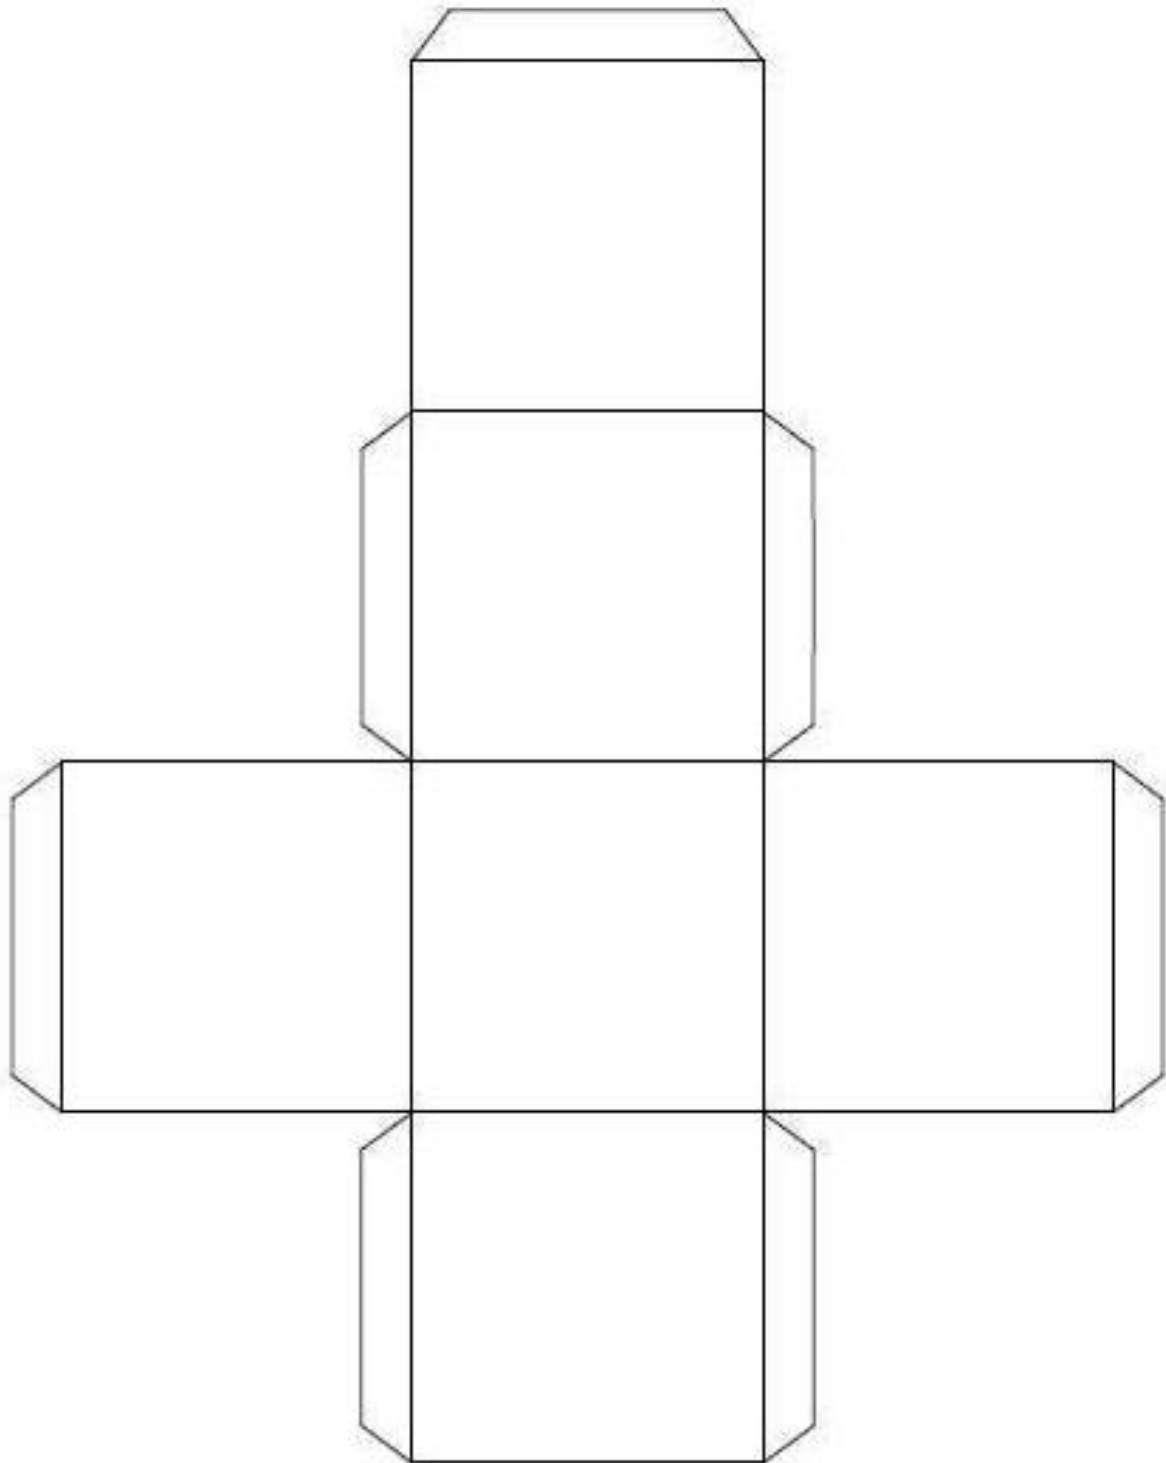

PSHE

Discuss what success looks like. Talk about some goals that you have achieved and how it made you feel. Create a small treasure box using the cube template below. Cut out the coins and on each coin write a success that you have had and put it in the box.

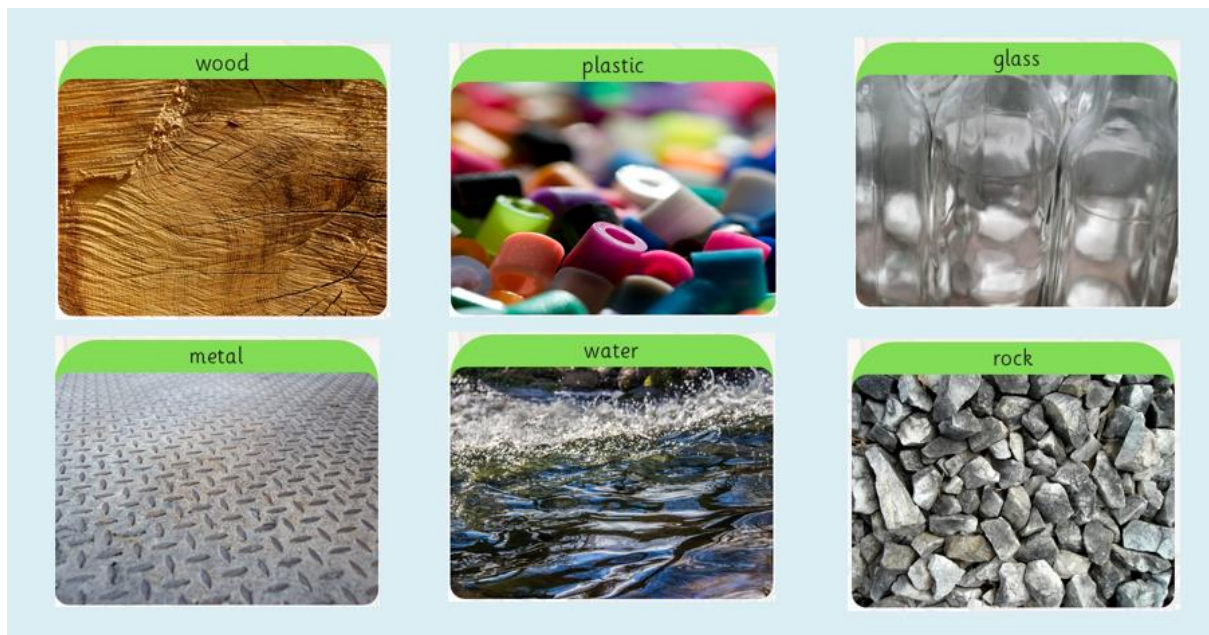

PSHE Treasure Box template

Science

Have a look at these materials. Discuss objects that are made of each one. Talk about the properties of each material.

Take a look around your house to find a range of different objects. Look carefully at each object and think about what materials each object is made out of.

Group the objects together based on the materials they are made from.

Are there some objects that could go in more than 1 group?

RE

Create a recipe for a good friend! Write things that good friends do inside the cauldron. Can you think of anything that good friends do NOT do? Write those ideas in the space around the cauldron.
