

The Seven Continents

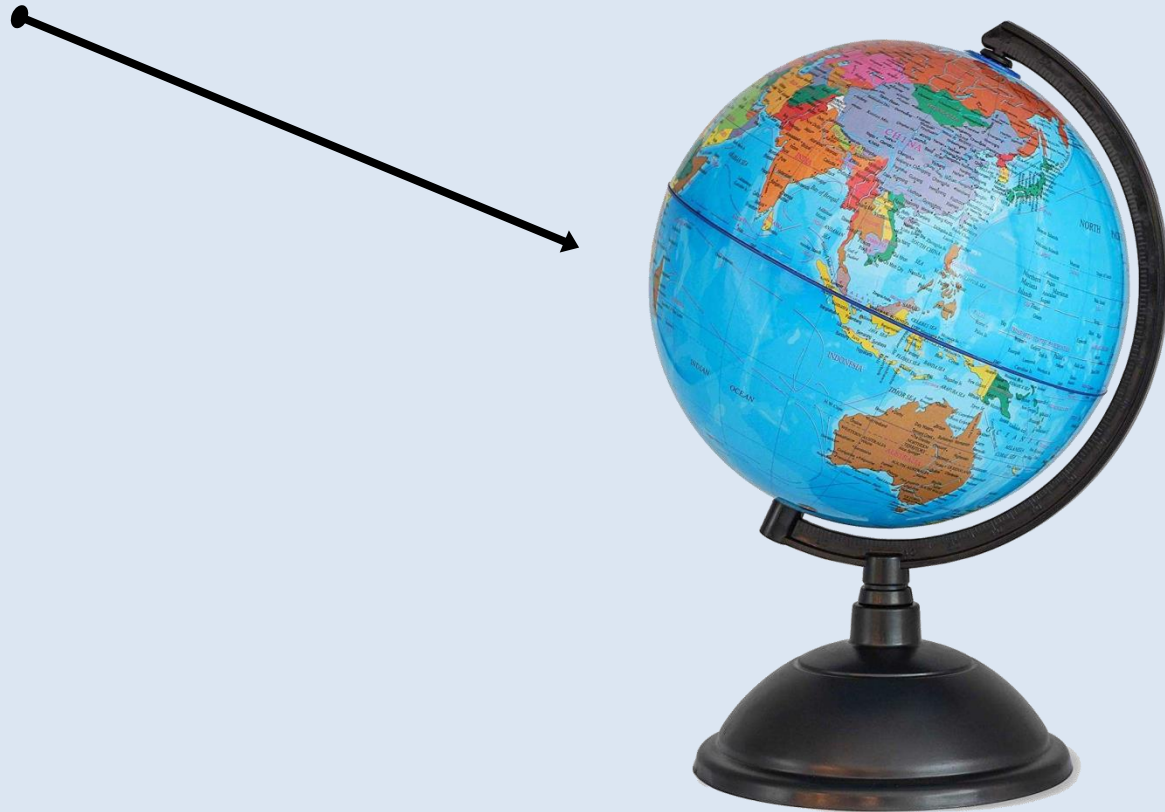

Quiz Time!

Can you name the four points on a compass?

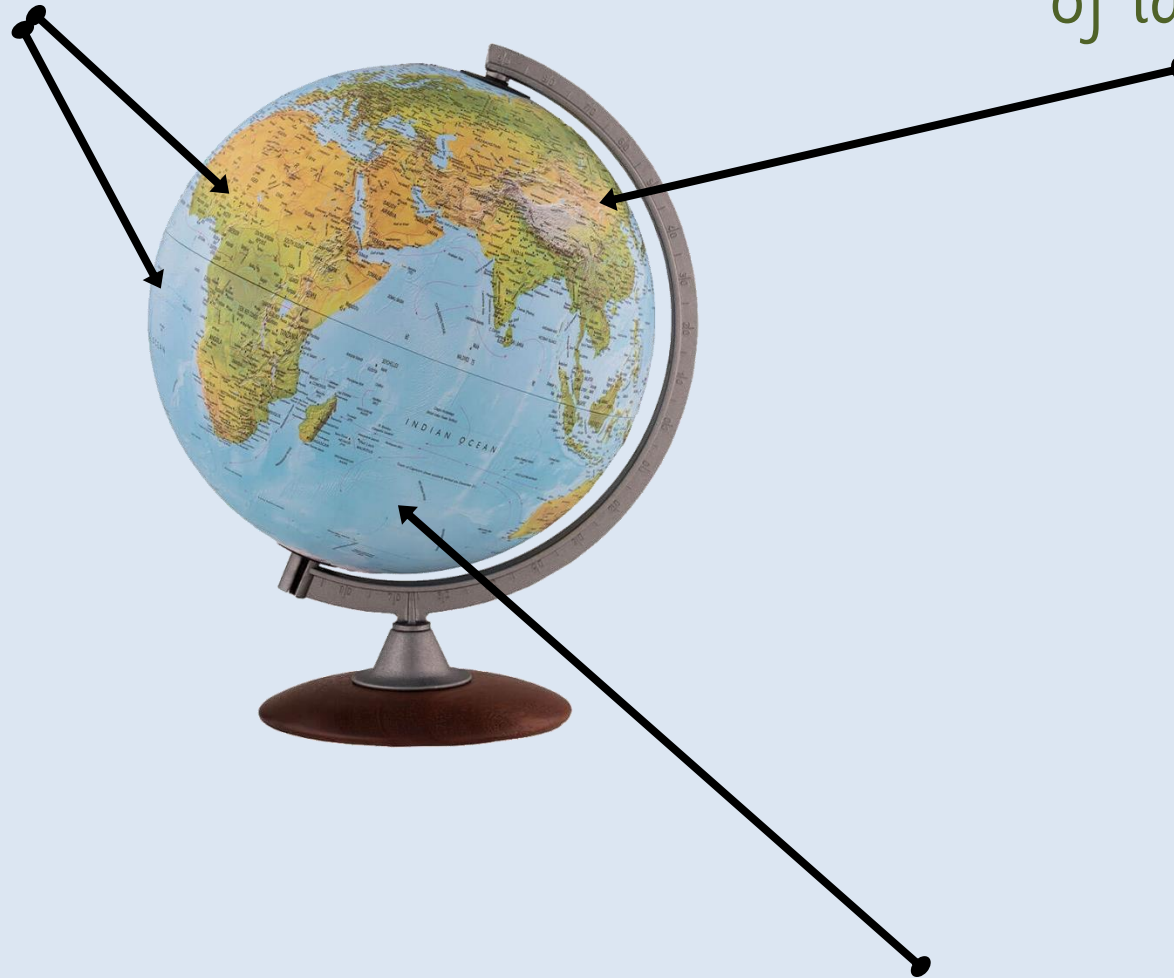

Walt: name the seven continents and recognise oceans.

TTYP: What is this? What does it do?

A globe shows
where
there is land
and sea on
Earth.

A continent is a large area
of land.

Did you know the world is covered by roughly
70% of water!

Did you know....

There are seven continents on Earth!!

AFL: Can you name any?

Lets have a look at them together!
