Dear Parents/Guardians,

At St Mary Cray Primary, we are committed to creating a safe, welcoming, and inclusive environment for all our students. We believe that every child should feel valued and supported, regardless of their background or identity. To achieve this goal, we have established an Equality, Diversity and Inclusion (EDI) team that works towards promoting and embedding EDI in every aspect of our school.

We understand that parents and carers play a vital role in creating an inclusive community and ensuring that every child's voice is heard. Therefore, we are reaching out to you to invite you to volunteer to be part of our Parent Voice/Working Party for EDI. This group of parents will meet three times a year, once per term, to discuss how EDI looks and is implemented across the school. Your input will be valuable in helping us to understand the needs and concerns of our community and to identify areas where we can improve.

If you are interested in being involved in this group, please complete the survey linked below. We welcome all parents and carers who are passionate about creating an inclusive and supportive environment for our children.

Thank you for your consideration.

Sincerely,
Mr Ricketts
