Dear Year 5 parents and carers,

Year 5 have been invited to St Olaves School to attend a Maths and Science Day on **Wednesday 28th June 2023** from **9:30 – 15:00** as part of their outreach program.

The day will involve several activities including:

- Using Science to solve a murder
- Making and Launching Rockets
- A Maths-based treasure hunt
- Team-based problem solving.

We will aim to leave school no later than 8:50 am and will be travelling by public transport. We will arrive back at school at approximately 3:30pm and will regularly communicate any updates to our arrival time.

As we will be out of school for the whole day, please could you provide your child with a packed lunch in a named plastic bag and a bottle of water (no sweets, nuts, fizzy drinks or glass bottles please.) If you would like the school to provide your child with a packed lunch, **please indicate this on ParentPay**. There is no cost for children who qualify for FSM. Children will need to be dressed in full school uniform.

St Olaves have advised us that photographs will be taken during the day for promotional purposes and uploaded to their school website. **Please visit the link below to give/decline consent:**
