Well done to **Year 5 Opal Class** for achieving the best attendance this half term!

What parents need to know

Please see the below link you may find useful:

[What You Need to Know About: Instagram | Free E-Safety Guide](#)

Parent Council

This week you will have received an email about a new and upcoming Parent Council at the school who will replace our current form of governance (The Local Area Committee).

This Parent Council will consist of one parent representative from each year group who will meet with me each half-term to discuss all things St Mary Cray Primary (this will not include current Year 6 parents as your child leaves us in July).

If you wish to be considered for the role of parent council for your year group, then please send Mr Frost a message on Class Dojo with a brief explanation of why you wish to be involved, by no later than **Friday 18th April**.

Many thanks in advance for your support.

Spring Term 2

4th April 2025

iRock School of Music

This afternoon we were treated to an end of term mini rock concert from our superstar iRock students! There are still places available, so contact the team to enrol your child for next term!

Dear Parents/Guardians,

Get ready for **Summer term**: spaces are available for your child to join an iRock band at their school!

What is iRock? At iRock, children experience the thrill of being in a band! Led by our passionate and professional Band Coaches, our weekly in-school band sessions are open to all pupils from Reception to Year 6.

Music for all. iRock aims to create a welcoming and inclusive environment where every child feels they belong. Each week, children develop their musical skills, confidence, and teamwork as they work towards exam-free music qualifications – celebrating progress without the pressure of formal exams.

Feel like a rockstar! The excitement culminates every term in a live concert where children perform as a band for their families and peers. These performances are more than just a showcase—they're an opportunity for children to build self-esteem, enhance their confidence, and experience the joy of accomplishment.

iRock isn't just about music; it's about helping children thrive cognitively, socially, and academically through the power of music.

Key information:

- **No experience needed** and all instruments are provided
- Parents/guardians can access our **online portal** for updates, pictures and videos
- Hassle-free **monthly subscription** that can be cancelled at any time with a **first lesson money-back guarantee**.

Head to <https://www.irockschool.com/enrol> to check availability and start your child's iRock journey!
