Fri	5	Easter Parade
Mon - Mon	8 - 22	Spring Break
Tue	23	Children Return to School

Message from the Head of School

Dear Parents & Carers,

A huge welcome back and I hope you all had a lovely week off.

This half term we will be focusing on our new school values and their mascots: **Friendly Frog, Respectful Robin, Persevering Penguin, Kind Kangaroo, Helpful Hippo, Diverse Dolphin, Honest Hedgehog, Responsible Raccoon and Polite Panda**. These values will be celebrated in and out of class, and each week we will be awarding certificates to children who have met these values. The children are also able to nominate children

they feel have met one of the values. Please talk to your children about these values at home and encourage them to work towards meeting each value while they are at school.

Best wishes,

Mrs P Bild
Head of School

SMPCA United!

We would like to congratulate the following Year 6 children who have made the school football squad:

FIRST TEAM	SECOND TEAM
Reece	Snit
David	Theo
Oliver	Samuel
Wiktor	George
Dante	Teddy
Orestas	Imari
Jason	Gavriel
Mamadou	Chris
Lewis	Eiad
Blerton	Mudassir

Year 4 – Sapphire Class

Sapphire Class have had an extremely busy first week back this half term.

On Tuesday, we went to the British Museum in central London. The children were very well behaved on public transport and enjoyed their first trip on the Northern Line! The museum was much bigger than we expected and Miss McLean counted that we had done 20,000 steps by the time we made it back to school! At the museum we saw the Lindow Man and Ginger, who are mummies that we studied in our ancient builder’s topic back in the very first term. We were also excited to look at ancient Mesopotamia, which is where our protagonist from our book, Varjak Paw,

descends from. Some of us even got to handle ancient Roman coins. We were all very tired when we returned home, but we had seen such wonderful things, it was worth the journey!

The next day, we had our first trip to swimming and Forest School. Some children overcame their fears of the water and were able to swim completely on their own! At Forest School, we learned how to play ‘concentration’ and created towers using just the nature around us. The towers had to be tall, but strong enough to hold an apple. Well done to Florian and Runya who were able to create the tallest tower without the apple rolling off. Next week, we will be creating landscape pictures.

Attendance

Dear Parents and Carers,

ALL non-urgent appointments, including appointments, **MUST** be taken **outside of school hours** with immediate effect.

Hospital and other similar appointments can continue to be taken during school hours, as dates/times are usually dictated by the Local Authority and are therefore out of your control.

There are 175 days of the year that your child does not attend school, please ensure that you use these free

days for routine/non-urgent appointments, or book them for after-school hours. If your child is not at school, they are missing vital learning.

Thank you for supporting your child's education.

Kind regards,

Mrs Richardson
Attendance Leader
